**From the President**

I love the beginning of a new year. I love to make New Year's Resolutions. A new year is a new beginning – a time of hope for improvement and change. I enjoy looking back on the prior year and finding ways to improve myself both personally and professionally.

I think the Junior League of Abilene should do the same. We should reflect on the prior year and find ways to improve our organization. We have two opportunities to do just that.

The first opportunity to improve our organization comes by increasing the number of our members. We want other women to join us in our effort to improve the lives of children in our community. We want busy women who are interested in making a difference. We want our membership to

continue to grow so that we can have a greater impact in our community. And we want to continue to train women to be effective leaders in Abilene.

*Risha Sanders, President*

It is that time of year to invite other remarkable women to join us in our effort to improve our community. I want each of you to think of one person that would appreciate the volunteer opportunities provided by the League, that would value the training they receive from this organization, and that would enjoy a social network with women who share their interests and values.

Please invite them to become a member of the Junior League of Abilene.

Our second opportunity to improve our organization is through a process called Project Evaluation. You elected a committee of your

**PAVE: Providing Assistance & Volunteering Experience**

So far this year the PAVE project has given over \$13,000.00 in grant money and has provided over 60 volunteers for various community events. PAVE Committee members and volunteers have had the opportunity to see how money raised by JLA can reach out to assist with so many projects planned by fellow Abilene area non-profit agencies. We have amazing committee members who have shown the face of Junior League of Abilene to be friendly, energetic, and caring.

*Junior League,  
Thank-you for your generous donation to the Fall Festival. We had 16 families attend the event (29 adults and 57 children). The families had a great time and all seemed to enjoy the zoo and picnic. Thank-you for your support of this event and for making it a special time for the families.*

peers to review our current projects and to consider a new project for our League to adopt. Each woman on this committee spent over 14 hours of their time listening, asking questions and evaluating our projects. These women then came to a consensus and will present the information to you in February.

This is such an important process for our League to go through each year. We want to strive to remain relevant in our community and we want to continue to have projects that meet the lifestyle needs of our members. I strongly encourage you to fully participate in this process by attending the February meeting and listening to the Project Proposals that will be presented by the Project Evalua-

tion Committee. In March, we will vote on these Project Proposals. It is very important for our members to understand and appreciate the process of project review. Our organization needs and values your input. Please make every effort to attend these important meetings.

As I reflect during this time of year, I again want to say how grateful I am for the opportunity to lead this organization of incredible women. I want to see the Junior League of Abilene continue to thrive in 2009 and beyond.

I wish each and every one of you a healthy and happy 2009.

Sincerely, Risha Sanders

### *Your JLA Placement Interviews are around the corner.*

Please plan to attend the "come and go" interviews at Pam Yungblut's home on February 24th from 4:30-6:30. All actives and provisionals who have NOT been placed in leadership positions NEED to attend. Contact your placement advisors for questions.

**FAST FACTS:** YA 1998, three great kids, one super husband

**CURRENT:**

*JLA:* PAVE Sustaining Advisor  
*Community:* T-J-H-C Counties Medical Society Alliance, American Heart Association,

Community Foundation Future Fund, Wylie ISD

**PAST PLACEMENTS:**

*Favorite:* Community Connection

*Hardest:* TIE: Chairing Membership Development and Project Research

**FAV LEAGUE ACTIVITIES:**

TIE: Working on Fort Imagination Playground and participating in Carousel Style Shows

**MEMORABLE MOMENT:** Several JLA members threw a Valentine's Day party for the children at Noah

Project. We were all sitting around having Valentine's Day treats and playing and I realized how important the things are that JLA does for the community – just this small party was such a much-needed break in the routine for the kids and moms.

**WHAT DID JLA TEACH YOU?**

- The benefits of teaching others to lead is much more fulfilling than actually doing the leading.
- To be diplomatic and "on the ball."
- To take the high road.

**GREATEST FEAR:** The picture of me that will be included with this article. (Allyson has so much dirt on me.)

**DEEP THOUGHTS:** Whatever you put in is what you get out . . . Small things you do can make a huge difference... If you don't ask, they can't say yes... Share what you have with others

## That's a Wrap!

Thank you to all the league members, sustainers, provisionals and family members for helping us pull off another successful Christmas Carousel!! "A Starlet Christmas" finished with record attendance at our gala and high attendance at all of our events. All of our workshifts were staffed with smiling League starlets who all successfully signed up for their workshifts with Digital Cheetah!! Thank you! Thank you to the Carousel Committee for pouring your heart, soul and time into this enormous undertaking. As we close the books on the 2008 Carousel, we can proudly say thank you to all of you and our generous sponsors for enabling us to raise \$100,000 for the Junior League of Abilene. The Stars of Abilene truly are the women of the Junior League! That's a Wrap! Clear the set and make way for Christmas Carousel 2009!!

*Sara Field*

## Catching Up with Community Partners

*Cindi Bumann, Chair*

"We have been abundantly blessed" are the words Cindi Bumann, chair of the 2008-2009 Community Partners Committee, chooses to describe the committee's experiences so far this year – and she gives credit to YOU, her fellow Leaguers, for making it possible. Here are some highlights:

**FALL CHANGE OUT:** At the end of September, approximately 20 JLA members devoted their time and considerable energy to getting the Bluebonnet Room ready for cooler weather by swapping out the spring/summer clothing and moving in the fall/winter clothing. Industrious JLA volunteers whipped everything into shape in a mere two hours! The Bluebonnet Room is a critical 24-hour resource where CPS caseworkers can pick up fresh new clothing, diapers, formula and other supplies needed for children being removed from their homes.

**FALL PARTY:** In mid-October, JLA members brightened up Halloween for the kids in CPS care by throwing a great party! The kids competed in 15 games for candy prizes – all of which was so generously donated by JLA members. "My car smelled like Reese's for weeks!" noted Bumann. MMMMmmm!

**CHRISTMAS:** This year, JLA members again answered the call and came together to adopt all 48 CPS children and provided each one with two to three toys. Your efforts continue to make such a difference in their lives.

**UPCOMING EVENT!!!!** Spring Change Out – March 2009 (date TBA). See you there!

## PAVE: Providing Assistance & Volunteering Experience, cont'd

Dear Tenia and Tifani:

On behalf of the Board of Trustees and staff of The Grace Museum please accept my sincere thanks once again for your generous grant of \$300 and volunteer support for Dreamnight@TheGrace.

The event was a huge success. Attendance more than doubled this year. We had approximately 200 participants. It was such a huge help to have Junior League members help out this year, thank you!

We are so grateful for your support of the museum and Dreamnight@TheGrace, and we appreciate all that the Junior League of Abilene does for the children in our community.

Warmest regards,  
Courtney Vletas  
Development Director  
The Grace Museum

## What are your (chocolate) plans for Valentine's Day?

Flowers and Romance Yes, but can you imagine Valentine without Chocolate? My thoughts exactly! Apart from being addictive did you know that it has less caffeine than coffee? Here are some fun facts you can share with a loved one with a box of Chocolate.

Chocolate has been major part of the Valentine day for more than 150 years.

Chocolate is a traditional valentine day gift. Throughout history, it was believed that chocolate brought smiles to the broken hearted and prompted amorous feelings. In 1800's physicians commonly advised their patients to eat chocolate to clam their pining for lost love?

It is believed that lovers first began exchanging mementos in 17th century, perhaps heeding the words of Shakespeare's hamlet, "Sweets for my Sweet"

It's true! Chocolate is The Food of the Gods - Cocoa beans comes from a tree that is a species of genus Theobroma which translated is Food of the gods.

Chocolate is a great natural antidepressant. It contains tryptophan which helps you create serotonin, your body's own antidepressant.

Chocolate contains high-quality anti oxidants that protect you from developing Cancer and Heart disease.

Chocolate is rich in magnesium and iron, which your body needs.

Chocolate's melting point is just below your body temperature, so it melts in your mouth. Melting chocolate in your mouth raises brain activity and heart rate more intensely than passionate kissing and last s four more times longer!

Knowledgeable Chocoholic
